

To shut free speech is to
shut your mouth.

That means social
platforms foot is in their
mouth for silencing free
speech.

What mess the world is in.
You are in INIQUITY; it is
a SPIRITUAL-BATTLE:
What do you KNOW home
team?

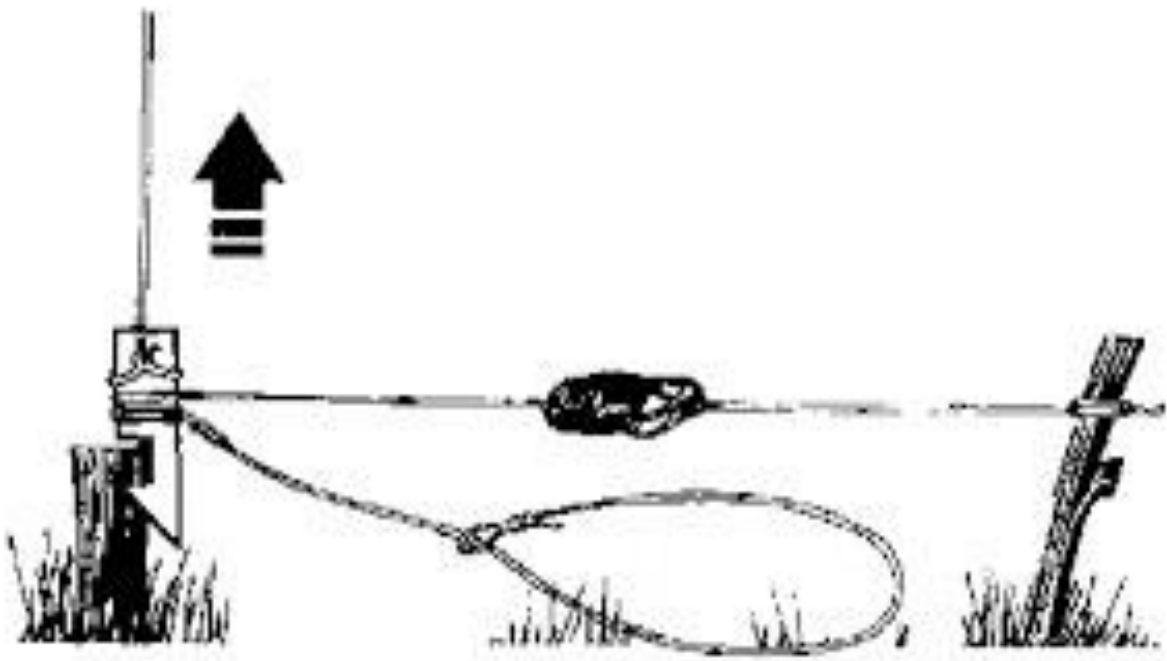

You better KNOW-LIE in a
SPIRITUAL-BATTLE in
INIQUITY.

First, have you repented of
the lies? The lies you are
ignorant of for not
judging? The lies you
entertain for wants and
needs? The lies that made
you SIN before GOD?

Repenting is a good thing,
but you LIE-BELIEVING

buffoons in those pimp
temples repenting for
filthy lucre, tithing to a lie.
You ass-wipes going to hell,
we call SERPENT-SEED.
Serpent-seed promotes the
lie SATAN harvest.

This is set up by GOD, the TRUTH-IN-ALL-THINGS, GREAT-I-AM, PMG, the ALL-MIGHTY, the PAIN-KILLER, the MOST-HIGH, and MR. PAYBACK, to save you from the lies.

We battle in the SPIRIT, we fight smart and in the SPIRIT we battle not in the world, we battle with what you KNOW that is

TRUE proven by GOD and
your SENSES.....

#prepare-for-water

If you think you can win
and move FORWARD
believing any lie against
GODS WORD or any lie
against your fellow human,
and any lie against yourself.
Hell is where you bound;
the battle is lost for you.

Why cannot you see the
circles you walk in?

153 news.net must come
back for free speech. Or
all we get is circle walking.
